2017-18 NWAC SPORTS INFORMATION CALENDAR

Coaches Certification

The NWAC requires all coaches to complete certification tests to demonstrate competency in understanding the NWAC Codebook, the responsibilities of the coach and knowledge of timelines.

Schedule

Athletic departments are responsible to enter initial scheduling information and ensure changes/updates are entered as they occur. The NWAC SID will enter tournament schedules when they are received.

Team Photo/Caption

The team photo shall be taken with participants in uniform, in focus and clearly show all athletes' faces. A photo caption with player names needs to be submitted at the same time. Team photos posted online are the photos used for the championship guidebooks. Team photos can be updated throughout the year based on roster changes.

Roster

Team rosters are posted on the NWAC website and are used for game & tournament programs as well as for scorebooks. It is the athletic department's responsibility to make updates as they occur. The final roster used for the championship media guide will be taken from the NWAC website. Please ensure correct spelling of athlete names.

Contest Results & Stats

All contest results are to be submitted the same day the event takes place. Report times for each sport are indicated on the Sports Information Calendar. Contest results are submitted online or by emailing sportsinfo@nwacsports.org. Home teams and tournament hosts are responsible for submitting results for all games played. Schools competing against non-member schools on the road must report their results. Sport specific contest results & stats reporting procedures are available online under your member login.
