- C. If a tie exists, (a tie defined as two or more teams having the same region record and those teams involved have split head to head) cumulative league records of games among the tied teams (Head to Head competition) will determine seeding for the NWAC tournament. Note: if a team has beat another team twice in region play, a true tie does not exist even if records are the same. If there is a tie for first, then the first and second place coach will each nominate one of their players. All Southern Region head coaches will then vote on the MVP. Each coach will nominate the number of their players based on league standings. Each coach will also have the opportunity to designate players to honorable mention. The format and number of player selections that corresponds to final league status is as follows:

- B. Rules from the NWAC shall govern all participating member colleges.
 - 1. NCAA Rules and Regulations will be followed with the following additions and clarifications that is stated in the NWAC Official Code Book listed under Soccer.

II Schedule:

- A. All participating colleges will be members of the NWAC and the Southern Region.
- B. The league schedule shall consist of a double round robin of all the Southern Division colleges. The league schedule will be submitted for approval from the coaches before March 1st of each year. The maximum number of matches to be played for each school, including league and non-league, shall be limited to twenty-four 24 matches, excluding playoffs. Each college shall be allowed to participate in a tournament that will count as one of the permissible 24 matches.
- C. Scrimmages – A maximum of four (4) scrimmages dates may be split between fall and spring seasons. Fall scrimmages must be played after the first practice and prior to the first scheduled league contest. All scrimmages, dates, opponents and times must be registered with the conference office immediately upon finalization. Rules and regulations for scrimmage competition are found under Article III, Section 17 of the Bylaws.

III Officials:

- A. Officials for all home games in Oregon shall be assigned by the Oregon Intercollegiate Soccer Officials Association.
- B. Joint meetings of the officials and coaches will be held prior to the start of the season that is scheduled by the soccer sports chair.

IV NWAC Championships:

- A. The conference play-offs would involve the top three teams from each division.
- B. The Conference Championships will be played according to the NWAC Soccer Playoff Rotation 2017-2022 listed in the NWAC Codebook Appendix A-5.
- C. The winners from the second round will play the semi-finals of the NWAC Championship tournament at an NWAC selected site.

D. The division championship will be determined on the basis of points accumulated in all league play. If there is a tie for a division championship, and if one team has a head to head advantage over the over team, then the team with the head to head advantage will be the division champion and will receive the championship trophy. If the two teams are tied head to head, then the two teams will be co-champions and the tournament seeding will be determined by:

1. Head to head competition between the tied teams vs. the highest finisher and on down through the bottom of the order
2. If still tied: refer to Soccer Tie-Breaker Matrix numbers below
3. For the final post season spot direct head to head competition is the only tiebreaker. If this does not break the tie then we go to step 1 to determine host site for a playoff game. If step 1 does still not determine the home site then we go to step 2 to determine the home site for the playoff

- E. In case of a tie for second or third place in division refer to codebook Soccer 1400.3 and 1400.4
- F. If a play-off match ends in a tie at the end of regulation time, two (2) sudden-victory periods of ten (10) minutes each shall be played. A coin toss called by the visiting team will determine choice of ends of the field or the kick-off before the start of the first sudden-victory overtime period. If, after the second overtime period, the score is still tied, the tiebreaker procedure of taking kicks from the penalty spot, as set forth below, shall be used to determine advancement, or in the case of the Championship match, the winner. Only players who are listed on the official NWAC match roster form shall be eligible to participate in the tiebreaker. Each team shall designate either: (a) 10 different kickers, one of whom may be the goalkeeper; or (b) 10 different kickers and a goalkeeper who will not participate as a designated kicker in the tiebreaker procedure. The kicking order shall be at the discretion of the kicking team; however, after all the eligible kickers have kicked once, the order of the designated kickers may change. If any of the designated players, except for the goalkeeper; are ejected during the tiebreaker, the game will continue with the remaining designated players; and the opposing team, if desired, shall have the option to reduce or adjust its kicking order to avoid being penalized or placed at a disadvantage if the No. 1 kicker from the offending team ends up kicking against the No. 10 kicker from the non-offending team. In addition, if the designated player ejected is the goalkeeper, his/her replacement may be from any of the eligible players listed on the official NWAC game roster for that game. The game will continue with the remaining designated players. The penalty kick is taken after the referee's whistle from any place on the penalty line or spot.

v. Squad Size:

- A. The travel squad will be limited to twenty-two (22) for all conference matches. For all playoff and league championship matches, the number will be unlimited.

vi Game Management:

- A. Starting times will be 1:30PM (and 4:00PM 2ND game) for all games on the weekday and 12:00PM (and 2:30PM 2nd game) for all games that occur on a weekend day. If you do not have a double header with Women and Men playing back to back the program that is playing takes the earlier time slot. The coaches of the opposing teams may make other arrangements if both coaches and Athletic Directors are in agreement.
- C. The minimum warm-up on the field will be 45 minutes prior to kickoff.
- D. The home team will provide a bench for the opposing team's players, as well as showers. Water must be provided but cups are optional.
